

UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

ANTHONY R. TURNER,

Plaintiff,

v.

VALLEJO CITY MAYOR, et al.,

Defendants.

No. 2:23-cv-2894 KJM DB P

ORDER

Plaintiff, a county inmate proceeding pro se, filed this civil rights action under 42 U.S.C. §1983. In an order filed March 18, 2024, this court ordered plaintiff to pay the filing fee or file an application to proceed in forma pauperis (“IFP”) if he wishes to proceed with this action. Plaintiff filed an IFP application on March 27. However, the certificate portion of the application form, which should be completed and signed by a representative of the institution of incarceration, appears to have been filled out by plaintiff and is not signed. Plaintiff states that the Sheriff’s Office refused to sign the form.

This court will order the Contra Costa County Sheriff’s Office to complete the certificate portion of plaintiff’s form. That said, plaintiff is advised that it is his responsibility to complete the remainder of the form, provide it in a timely manner to a Sheriff’s Office representative for completion of the certificate, and file it on time.
